## **Welcome to Rainbow Kids**

**To make our storytime  
at the library enjoyable,  
please help with the following:**

Sit with or close to your  
child and share the  
experience with them.

**Please** be a good listening model  
for the children and not talk during  
storytime.

Take your child out of the group  
for a short  
break if your child  
is unsettled.

Thank you for helping make  
Rainbow Kids a fun and happy  
experience for everyone.

### Tips for reading to your Pre-schooler

- Set aside time to read everyday.
- Make it a special time you both enjoy  
- relaxed, cosy, comfortable & quiet.
- Let them turn the pages & point to  
words & pictures.
- Use lots of expression on your face,  
different voices & sound effects.
- When sharing a story encourage your  
child to guess what will happen next.
- Ask questions like—  
"I wonder what's going to happen  
next",  
" Do you know what a tug boat is ?"  
Or you can point out : " Look what the  
little mouse is doing now ".
- Encourage your child to ask questions-  
don't worry about interrupting the  
story.
- Learning depends on repetition. Many  
stories contain lots of repetition &  
your child will ask for favourites over  
& over again.
